SEPTEMBER 2011

Minor Ministerial Musings

In the newsletter each month, a list is published, of all the people in our congregation who have birthdays in that particular month. It is a way that we, as a church family, can celebrate together, and participate in each other's joy, perhaps keeping in mind what Paul says in 1 Corinthians 12:26: "...[I]f one member is honored, all rejoice together." Birthdays are indeed days to honor, and days to rejoice. No matter how many birthdays you have had, one's birthday is a cause to celebrate. It is a marker, an indication, of how far you have come. It is a good time to reflect on what you have done, how you have spent the years that you have had. And it is a good time to look toward the future – to plan, to dream, to envision, how you will spend the years to come.

There is one very important birthday coming up that I want to make sure you do not miss – ours! Did you realize that Hickory Hills Presbyterian Church has a birthday this month? If you check out the history page on the Hickory Hills Presbyterian Church website, you will find that in September of 1951, "we began as a Sunday school in the North Palos School building across the street from the current location after a survey by the Church Extension Board of the Chicago Presbytery". Before we were even a chartered congregation, we began as a Sunday School.

As we get ready for Rally Day, and the beginning of so many learning opportunities starting in September, it is especially appropriate that we remember who we are as a learning congregation. As we have been reminded so often, the first and greatest commandment is to love the Lord our God with all that we are – with our heart, strength, soul, and *mind*. This means continuing to take every opportunity we can to learn more about God, to learn more about Jesus, to learn more about the Bible. This is how we learn to articulate our faith to others, so that we can teach others about the joy and the hope that we have, inviting them into that same joy and that same hope.

The commandment to love the Lord our God with all our minds also means taking every opportunity to learn more about ourselves, and more about each other. After all, the commandment to love the Lord our God with everything that we are is followed by – and inseparable from – the commandment to love our neighbors as ourselves.

One of my Christian Education professors once expressed the belief that "everything the church does teaches." I believe that this is true in a very important way. There are lessons to be learned from everything that we do – lessons about who we are as followers of Christ, and why we believe and do the things we believe and do. We learn about worship when we gather on Sunday mornings or afternoons, every time we gather to give praise and thanksgiving to God. We learn about prayer every time we bow our heads or hold each others' hands, every time we speak the words, "Our Father". We learn more about how to treat one another, more about the teachings of Jesus, and more about the commandments of God, every time we open the Bible, or enter a class, either on Sunday mornings or other times during the week. We learn how to do justice and love mercy every time we give our time and talents to the food pantry, or the sewing ministries, or work with P.A.D.S. or go on a mission trip. From everything we do as the body of Christ, we learn more about what it means to be the body of Christ.

So happy birthday, to all of us! Celebrate and rejoice. And never stop learning.

In Joyful Anticipation, Pastor Lara

*In
Loving
Memory
Of
G.R. Snow*

John 14:1-6

The staff, Session, members, and friends of Hickory Hills Presbyterian Church are deeply grieved by the loss of G.R. Snow, who passed away on July 23, 2011, after a several-week battle following a stroke suffered on July 4.

G.R. was Director of Music, Senior Choir Director, and Bell Choir Director from 2000 till his passing in July of 2011. G.R. brought amazing God-given gifts and talents to the ministries of Hickory Hills, and to the lives of those who worshipped here. He followed God's call on his life, as expressed by the Psalmist, to "make a joyful noise unto the Lord" with everything he did. His ministry, and his life, touched our lives, and we will miss him very much.

Our prayers continue to be with his mother, Eloise Snow, and his closest friend and roommate, Alan A. Hayes, as well as with all of his family and friends who loved him and will miss him.

A funeral for G.R. was held at the Zion United Methodist Church in Pershing, Iowa, on July 28, 2011. A memorial service was held at Hickory Hills Presbyterian Church in Hickory Hills, IL, on August 20, 2011.

Messages In Loving Memory of G.R. can be sent to HHPC@hickoryhillspres.org. Memorial gifts in G.R.'s Honor may be made to the Hickory Hills Presbyterian Church sound system fund, a project very near and dear to G.R.'s heart.

TWILIGHT PRAYER

A slow leak is by no means a blow out. None the less, the air escapes and a flat tire is the result. Are you a slow leaker or a blow out? Either way, you may feel depleted. Get some fresh air pumped into those lungs. Come join us for a refreshing evening of prayer.

There's plenty of air to go around.

PADS UPDATE

As we harvest the crops of our gardens, let us not forget those who harvest the reality of hard times.

October 1st is our first obligation to our PADS ministry. Are we ready to share our harvest with those less fortunate? I believe you are.

Gifts of self and financial gifts are always welcome. May we put something of value in that extended hand and open heart.

C. Lou Pearson

Hear Ye! Hear Ye! We will begin our class at 1:00 pm on Monday, Sept. 12, in the Junior High Classroom.

There are three distinctive features about Proverbs. Do come and join us as we seek WISDOM.

“The fear of the LORD is the beginning of knowledge; fools despise wisdom and instruction.”
PROVERBS 1:7 (RSV)

KIDS ARE NUMBER 1 AT THE KIDS CLUB

Christian Education

All Church activities are beginning after **Rally Day, September 11**. Sunday school classes will be led by Megan Zimmerman and Gordon Home begin on Sunday, September 11. There will be a picnic in the church parking lot with ample room for eating on the tables supplied by Kyle Ambrosat and his work crew. There will be food and games to be enjoyed by all. We cordially invite you to spend the morning service with us and then attend the picnic. It will be a special celebration since we will also be celebrating the 60th anniversary of Sunday School at this site.

Two new programs have been added to the fall starting schedule on Tuesday evenings. Dr. Kirk MacGregor will teach "Walk Through the Bible" beginning at 7:30 PM. He will teach "Apologetics and World Religions" beginning at 8:30 PM. If you have not signed up for either of these exciting new additions to our church please be sure Dr. MacGregor knows you intend to attend his class.

Great news to report on the "**Kids Helping Kids**" mission projects. Two cases filled with school supplies were donated to the Appletree program where the Worth Youth Commission will distribute to needy families within the community. Four families within the Hickory Hills community were also given school supplies. Dianne delivered 223 lbs. of pop tops to the Ronald McDonald house near Hope Children's Hospital. We hope everyone will continue to support these projects during the year. As you can see the small donations you bring are helping many people in need.

The **Jr. High Youth Group** will be led by Katie Treccani and Bryan Ambrosat. They meet on Thursday at the Church, The **Senior High Youth Group** will be led by Rick and

Jeni Vogel and Mitch Huenecke. They will meet on Sunday at the Church after REV.

We wish to thank these dedicated leaders and hope everyone will come to the first meetings to plan an exciting and instructive year.

The Kids Club will have its first meeting on September 12. It meets on Mondays 3:30 to 5:00 PM at the Church. Children will enjoy games in the gym, crafts, table games, cooking, stories from the Bible, and singing. Anyone who has attended in the past will tell you that this is a great way to make new friends, learn about making strong relationships, and have a fun time after school. Children ages 5 years to grade 6 are welcome to register with Dianne Flynn. Come join us and bring your friends.

Stories and More is a program designed for children ages 4 to 6 years old. It is held on Tuesdays from 1-2 PM. The first meeting will be on September 20th. Children enjoy six week programs which may focus on kindergarten skills i.e., counting, identifying alphabet letters, numbers and colors, reading sight words, writing, sequencing letters and numbers, and improving listening skills. Children will learn to move to the music, play games to build visual and auditory attention, and hear a story which will also require them to attend to the discussion. The hour is spent with caring adults who have been privileged to work with children for the three years this program has been running. If you have a child ready for Kindergarten or know of one who will benefit from this program please contact Patt Pilgrim, program director, or Dianne Flynn, director of Children's Ministries.

Ladies, find your yarn and needles! Our **Prayer Shawl Mission** work has been moved to a

warmer location. We will have our first meeting on September 18 in the former fourth grade classroom just west of the piano in the fellowship hall. Get ready to make some new 7X9 rectangles for the lap blankets or a new creation for a Prayer Shawl. We made enough rectangles last year to have 10 lap blankets 35X36 inches. BUT that's a long way from the goal of 70 lap blankets done for our visit to the Hickory Pavilion Care Center. So find your yarn and needles. Get an interesting pattern ready to begin the new year, Make a resolution to learn a new stitch or skill this year and *try really hard* to accomplish it. We will meet for an hour or more on Sundays around 11:45 PM. Anyone who is interested in learning to crochet or knit is also welcome to join us. There are knitters and crocheters willing to help you learn. Or just stop by for some conversation. The door may be closed, but you are always welcome.

The Stampers have met several times this summer and are looking to officially begin the year on September 21 at 10:30 AM. We meet to create cards used by the Prayer and Care group as well as the Deacons. We have stamps, ink, embellishments and paper to help you express your creativity. Anyone who feels they would like to assist in making cards for the Church groups or those of you who would like to make cards for themselves are welcome to join us. We always have time for social discussions. We share embellishment ideas and even have Kim Ambrosat come to help us learn new techniques when she is available.

The Women's Bible Study group led by Arlene Pearson will begin again on September 12. Ladies who have attended before will tell you that you will encounter food for thought, lively discussions, and a great luncheon. Come join the Women as they tackle the Bible one book at a time. Monday afternoons at the Church.
